BUSINESS FORUM FRANCE CAMBODIA

FROM JULY 8th TO JULY 10th, 2024

We are pleased to invite you to the highly anticipated France-Cambodia Business Forum 2024, a leading event aimed at exploring the vast potential of the Cambodian market. This event directly follows the visit of Prime Minister of the Kingdom, Hun Manet, to France on January 18th and 19th, 2024. On this occasion, seven protocols of agreements were signed, particularly in the energy, infrastructure, and distribution sectors, marking a new dynamic in the Franco-Cambodian relations. These agreements also reflect the Cambodian government's commitment to promoting private sector development. The Forum is therefore a unique opportunity for French companies to leverage this potential for growth and economic development and connect with potential partners, policymakers, and local experts.

The Forum will bring together French and Cambodian officials, including Samdech Moha Borvor Thipadei Hun Manet - Prime Minister of Cambodia, Mr Franck Riester - French Minister Delegate for Foreign Trade, Attractiveness, the Francophonie and French Nationals Living Abroad, His Excellency Sun Chanthol - Deputy Prime Minister and First Vice-Chairman of the Council for the Development of Cambodia, His Excellency Sok Chenda Sophea - Deputy Prime Minister and Minister of Foreign Affairs and International Cooperation of Cambodia, and Mr François Corbin - Vice President MEDEF International.
